

THE TEKNEK CLEANING HEAD

teknek

An ITW Company

TEKNEK TCH

An ITW Company

The new TCH single side cleaner is designed to be easily installed prior to a value add process. The compact design ensures the machine can be integrated close to the printing, coating or laminating process. The unique cross bar mounting system allows for easy installation.

TEKNEK CLEANING CORE - made in Teknek

The combination of our elastomer rubber and engineered adhesive rolls result in the unique, high performance Teknek Cleaning Core.

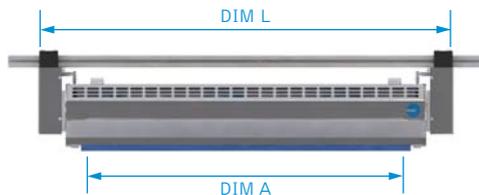

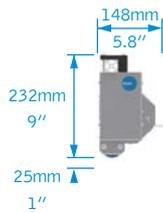

- Knowledge** - global experience - multiple industry sectors
- Innovation** - proprietary technology - scientifically proven
- Value** - unrivalled cleaning performance - highest yield improvement

Without the "core" it's only a conveyor
